

Private Terrace Package

Gather up some friends for a really special experience. The Private Terrace is the perfect spot for your group of 10 to 20. It offers a unique vantage point overlooking the concert stage, giving you (arguably) the best seat in the house. In addition to your own private terrace to watch the show, you enjoy a dinner that lets you 'eat like the band'; your own buffet with the same spread that the performers enjoy. If that's not enough, then imagine not having to wait in line at the beer & wine trailers because your terrace also includes a private, no-host beer & wine bar. We'll also be sending you home with a souvenir wine or beer glass plus a commemorative Concert VIP Lanyard.
