Venue rental does not include exclusive use of the zoo grounds. Signs, banners and other on-grounds display materials must be removed prior to the zoo opening to the public. All equipment must be removed from the amphitheater by 10 a.m.

Zoo memberships cannot be used for event admission. Admission is charged per attendee entering the zoo.

Any donated food or beverages must remain within the private event space for the exclusive use of event participants.

Additional staffing charges may apply for larger events, or events requiring significant amounts of load-in/out and set-up. Typically one additional staff per 250 guests.

Load-in/out is limited to two vehicles on zoo property at any one time. We strongly recommend consolidating supplies into box vans/trucks. Vehicles must be escorted by zoo staff while on zoo property.

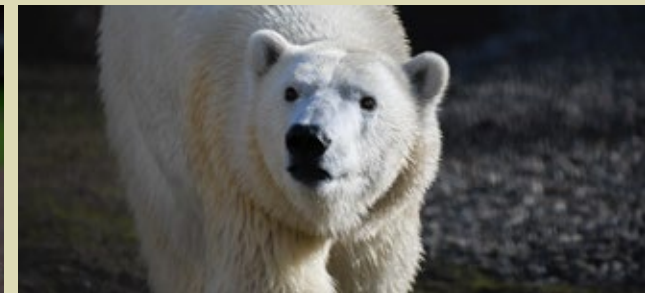

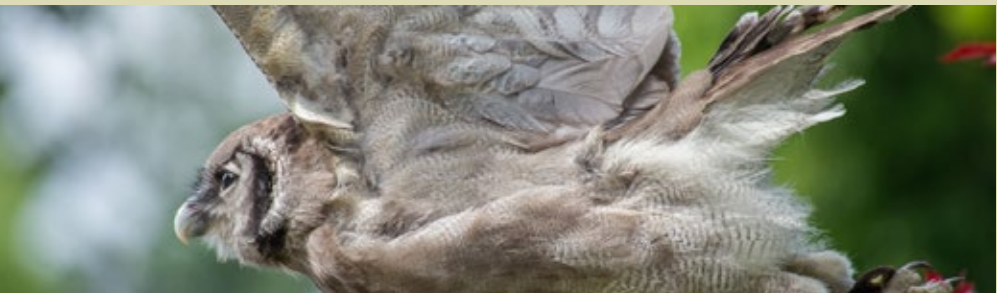

A minimum of 15 race course volunteers/attendants are recommended

All event marketing materials are subject to approval by the Oregon Zoo.

For Animal Safety

The Oregon Zoo does not allow balloons, balls, frisbees or anything that is meant to be thrown or might land in an animal habitat.

All noisemakers that can disrupt the sleep patterns of the animals, such as air horns, whistles, clappers, clackers and cow bells are strictly prohibited. Please contact your event coordinator if you have any questions.
