Additional Information

Zoo memberships may not be used for event admission. Admission is charged per attendee entering the zoo.

Any donated food or beverages must remain within the private event space and may not be served to the general zoo public.

All walks and runs must be completed by 9:15 AM. It is recommended to start runs by 8:30 AM.

Venue rental does not include exclusive use of the zoo grounds. Signs, banners and other on-grounds display materials must be removed prior to the zoo opening to the public.

Additional staffing charges may apply for larger events, or events requiring significant amounts of load-in/out and set-up. Typically one additional staff per 1000 guests.

Load-in/out is limited to two vehicles on zoo property at any one time. We strongly recommend consolidating supplies into box vans/trucks. Vehicles must be escorted by zoo staff while on zoo property.

A minimum of fifteen race course volunteers/attendents are recommended.

Event A-frame and brochures may be displayed at the zoo up to one months prior to the event. Marketing materials are subject to approval by the Oregon Zoo.

For Animal Safety

The Oregon Zoo does not allow balloons, balls Frisbees or anything that is meant to be thrown or might land in an animal habitat.

Also prohibited are noise makers that can disrupt the sleep patterns of the animals, such as air horns, whistles, clappers, clackers, cow bells, etc. Please contact your event coordinator if you have any questions.
