Student Research Pass

Important Program Information for Students

Welcome to the Oregon Zoo. We are glad you are using our animal collection as part of your classroom project. Please read the information below to help make your experience the best one possible.

1. Your pass, which looks like a ticket, should be taken directly to the main entry where it will be scanned. ***DO NOT surrender your ticket to Zoo staff; you will need it for future access to the zoo.***
2. Lost or damaged passes will not be replaced. If you lose your ticket, you will need to go back to your instructor to purchase a new one.
3. Your pass does not grant you special access to zoo staff or exhibits.
4. Your project cannot include procedures or techniques that involve disturbing or manipulating the animals or zoo visitors.
5. Have fun and enjoy your visit!
