

Animal Experiences

Animal experiences are booked on a first-come, first-served basis, with a minimum of two weeks' notice.

To ensure the health and wellbeing of the animals, zoo staff may remove them at any time.

AT THE HABITAT

Outdoor experiences are weather dependent. Due to food safety guidelines, no active food or beverage service may take place during animal experiences.

Elephant Pool Party **2,000**

learn about the elephants with an expert while the elephants swim in their 160,000-gallon pool

suitable for groups up to 1,000

Forest Hall Keeper Talk **1,500**

learn about the elephants with an expert while inside Forest Hall, including limited access to restricted area for selfies with the elephants

suitable for groups up to 150

Predator Keeper Talk **2,000**

learn about lions with an expert

suitable for groups up to 50

Giraffe Feeding **20 per person**

Feed leafy greens to the Giraffes

suitable for variable group sizes, though large groups will need to be split across multiple feeding times

COMING SOON

AT YOUR EVENT

Encounters are thirty minutes. Multiple encounters must be booked concurrently. Due to food safety guidelines, no active food or beverage service may take place during animal experiences.

Animal Encounters **200 per animal**

Get up close and personal with up to three of our animal ambassadors! An animal expert will introduce you to each animal, provide natural history information and answer your questions. See below for the types of birds, mammals and reptiles that may enhance your event.

Every effort will be made to meet requests for specific animals and your event coordinator will confirm which animal will be present prior to your event date.
