# Zoo Experience

## About us

A community treasure since 1888, the Oregon Zoo provides exceptional experiences to more than a million visitors a year to inspire them to create a better future for wildlife. The zoo participates in on-the-ground efforts to save endangered and threatened species, including California condors, Oregon spotted frogs and western pond turtles. Committed to conservation, the zoo sources products from local, sustainable vendors whenever possible. All private events hosted at the zoo support the zoo's education, conservation and animal welfare initiatives.

## Schedule Your Party

Contact Oregon Zoo Catering at [zoo.catering@oregonzoo.org](mailto:zoo.catering@oregonzoo.org) or 503-220-2789 for more information or to schedule.

A minimum of two weeks' notice is required. The base package price is due at time of reservation and is non-refundable. Final headcount is due five days prior to the date of the party. Food and beverage orders must be confirmed one week prior to the party date. The final invoice shall include a credit for all rental deposits and advance payments against the actual costs, fees and charges for the event, including all food, beverage and other event related charges. Payment is due thirty (30) days from the date of the billing.

Member package reflects a 10% discount on the room rental portion of the birthday party package. Party guests who are Oregon Zoo Members may use their membership to enter the zoo at no cost.

## Food and Beverage

You may pre-order food and beverage from Oregon Zoo Catering, or purchase food at the Cascade Grill (adjacent to the party room) the day of the party. No outside food or beverage is allowed.

Birthday cake or cupcakes from a commercial bakery may be brought in with prior approval from your party coordinator. Remember to bring all plates, service ware and cake cutting implements.

## Getting to The Party

The easiest access to the zoo is on TriMet MAX light rail. The Washington Park Station is only 50 yards from the entrance to the zoo. For more information on planning your transportation, please visit the zoo's website.

You and your guests may enter at the zoo's main entrance. Zoo admission is not required for access to the party room. A member of the zoo's catering team will meet you at and give you access to the party room when your party is scheduled to begin. Be sure to allow plenty of time for parking.

We host birthday parties rain or shine, but please dress for the weather!

## Times

The package includes access to the Sunset Room for two hours. No access to the room is allowed before the party start time. Party times are not extended for late arrivals. Please end your party promptly. Additional party time is \$50.00 per half hour, subject to availability.

## Decorations

You are welcome to bring your own table decorations. For the health and safety of our animals and guests, Styrofoam products, straws, glitter, confetti and piñatas are not allowed. Please do not tack on walls, windows or sills, though limited use of painter's tape is permitted. Decorations should be removed promptly at the end of the party.

## Storing and transporting items

The zoo does not have a space to store birthday cakes, decorations or other items before or after your party. You may bring your own cart or wagon to transport items. Strollers are also available for rent at the Gift Shop in the zoo's entry plaza.
